

5TH INTERNATIONAL
WATER & WASTE WATER
EXHIBITION

 **17-19 JUNE 2026**
 **Sarit, Nairobi - KENYA**

Leading Water & Wastewater Innovation in East Africa – Kenya Mega Water Expo Returns 2026!

Flowing Forward: Dive into the Future of Water Solutions with 5th Kenya Mega Water Expo 2026!

With Kenya's water and wastewater management, infrastructure, and smart water sectors expanding rapidly, driven by urban growth and increasing demand for resource-efficient solutions, the 5th edition of the Kenya Water & Wastewater Expo emerges as East Africa's leading platform for innovation, networking, and industry development. Organized by Elan Expo, this flagship event will take place on 17-19 June 2026 at the Sarit Expo Centre in Nairobi, Kenya.

Innovators in Water & Wastewater Unite in Nairobi!

The 4th Kenya Mega Water Expo gathered 90 international and local exhibitors from 14 countries, showcasing the latest Water and Waste Water solutions. Exhibitors and visitors came from China, Egypt, Germany, Hong Kong, India, Italy, Japan, Kenya, Poland, South Africa, South Korea, Spain, Turkey and United Arab Emirates. and more.

The event welcomed 6,700 professional buyers and hosted industry stakeholders and conferences, creating direct opportunities for business growth and cross-border partnerships.

Water in Focus: Innovations Powering Tomorrow!

The 2025 edition featured 9 conferences with leading experts who shared insights through talks and interactive sessions on water treatment, wastewater management, smart water solutions, and resource-efficient technologies. Visitors explored future-focused trends and practical applications shaping the East African water sector.

The 2025 edition provided a unique platform for knowledge exchange and offered an unmatched opportunity for industry professionals to discover global innovations and practical solutions in water and wastewater management.

Support for the event came from leading organizations including TCPAK, AAK and KPDA.

Top Companies Shaping Water Sector at Kenya Mega Water Expo!

Past editions featured a diverse mix of global technology leaders, regional suppliers, and local manufacturers. Highlights included Renowned brands such as Wilo East Africa, Kikuyu Pipes And Fittings Centre, Hydrolink Technologies Limited, Armstrong, Aqueduct Controls & Engineering Systems Ltd, Beijing Starget Chemicals Co., Ltd , Cimberio S.P.A., Eco Tech, Shiv Industries, Lecol Kenya, Climacento Green Tech Ltd, and other international Water & Water Technologies giants alongside innovative regional players. Their participation demonstrated a full spectrum of solutions across Water & Waste Water Treatment, Transport & Storage, Process Control & Automation, Engineering, and Flood Control & Storm Water.

Spotlight on Industry Sectors

- ✓ Water & Waste Water Treatment – water supply, wastewater management, purification, filtration, sludge handling, desalination, water reuse, smart water solutions, efficiency measures, and water for agriculture and commercial buildings.
- ✓ Transport & Storage – pipes, pumps, valves, meters, storage and transport systems, sludge management, maintenance, and installation components.
- ✓ Process Control & Automation – process monitoring, automation, control modules, data logging, simulations, purification plant management, and technical support.
- ✓ Engineering – design, construction, consultancy, contracting, finance, licensing, operation, and policy planning for water projects.
- ✓ Flood Control / Storm Water – flood and stormwater management, coastal protection, dams, drainage, flood barriers, disaster risk management, and weather monitoring.
