# Nigeria Mega Water Expo 2026: Leading the Charge for Water Innovation in West Africa!

---

Pioneering a Sustainable Future: The 8th Nigeria Mega Water Expo Showcases Cutting-Edge Water and Wastewater Solutions!

With West Africa's water and wastewater treatment market poised for significant growth in 2026, the 8th edition of the Nigeria Mega Water Expo solidifies its position as the premier platform for innovation, networking, and industry advancement.

Organized by Elan Expo, this flagship event will take place from May 19–21, 2026 at the Landmark Centre, Victoria Island, Lagos, Nigeria.

## Global Water Innovators Converge

Building on the success of Nigeria Mega Water Expo 2025, which united over 150 global brands from 22 countries, the 2026 edition will drive partnerships, unveil state-of-the-art solutions, and fuel market growth. Countries represented included South Korea, Japan, USA, Belgium, Germany, Jordan, Nigeria, China, Turkey, France, Italy, Spain, Egypt, UK, India, UAE, Oman, Netherlands, Rwanda, Ghana, Canada, Kenya and more.

## Empowering Progress Through Knowledge

Nigeria Mega Water Expo 2026 is a hub for industry transformation. 12 thought leaders will share expertise through 5 dynamic panel sessions and 2 hands-on masterclasses led by industry veterans. Topics include next-generation water purification, sustainable wastewater management, and smart water distribution systems.

The event enjoys continued support from leading industry bodies, including NICE, NIMECHE, NIOB, APWEN, NSE, NIQS, Honey Treat Trade Academy, and Engineering Resources Academy.

## Industry Giants Choose Nigeria Mega Water Expo

The 2026 exhibitor lineup features a powerful blend of global and regional leaders in water and wastewater solutions. Confirmed exhibitors include: WILO PUMPS NIGERIA LIMITED, KSB Pumps and Valves Nigeria Limited, CHINA LESSO GROUP HOLDINGS LIMITED and ZHEJIANG HANDE PUMP INDUSTRY CO.,LTD, HSC Arıtım Sanayi ve Ticaret A.Ş. and Pimtaş Plastik İnşaat Malz. San. ve Tic. A.Ş., Sewatech Nigeria Limited, Waterhealth Nigeria Limited, and Devtek Limited, Neutrtech Nigeria - Coway and WYCKOMAR NIGERIA, Water Chemistry and Allied Services Ltd. and Surface Civil Engineers & Biowaste Co,

This diverse roster combines global innovation with local expertise, reinforcing Nigeria Mega Water Expo's role as a catalyst for industry growth.

## Spotlight on Water and Wastewater Innovation

- ✓ Advanced Water Purification Technologies
- ✓ Sustainable Wastewater Treatment and Recycling
- ✓ High-Efficiency Pumping and Distribution Systems
- ✓ Membrane and Filtration Solutions
- ✓ Smart Water and Wastewater Management Systems

Co-located with the 9th Mega Clima Nigeria — West Africa's premier HVAC+R trade fair.
